

Dec. 8, 2021

Dear RM of St. Andrews,

We regret to inform you that due to staff shortage we will no longer be accepting any stray dogs as we do not have the time to care for them. We will still however accept ONE (1) stray adult cat at the clinic at a time until they are adopted out. The exception being that we will take litters of kittens 4 months or younger, ONE (1) litter at a time.

We know that felines are typically more independent, and we understand that the overwhelming population of felines makes it difficult to locate a safe space for them. Any additional cats or cats which the vet deems unadoptable will unfortunately have to be euthanized if brought in. We apologize for the inconvenience. If you have any questions, please feel free to give us a call at (204) 482-5720, or you can email us at [office@selkirkvetservice.ca](mailto:office@selkirkvetservice.ca). We hope you all stay safe and healthy during these times.

Sincerely,

Dr. Birte Klug
